J-Link EDU

Terms of use

You may use the J-Link EDU for non profit educational purposes only! Non-profit educational purposes means that you may not use the J-Link EDU and its J-Link software

- direct or indirect in or for a profit organization or business purposes or other undertaking intended for profit
- direct or indirect in any other commercial environment (e.g. office)
- to develop, debug, program or manufacturer a commercial product (or parts thereof)
- to use it to either earn money or reasonably anticipate the receipt of monetary gain from it.

Any other use of the J-Link EDU is prohibited and illegal! If there is any doubt if a certain use may be considered within the foregoing scope or whether your use of the J-Link EDU applies to an educational situation, it is strongly recommended to get in touch and consult SEGGER prior use. For clarification purposes: A student using the J-Link EDU direct or indirect in a business or profit organization (e.g. company) is considered a violation of the scope of this agreement.

Note: Before installing the J-Link EDU software package you need to accept the Terms of use as shown on the screen below:

J-Link EDU Terms of Use 📃	5
J-Link EDU may be used for non-commercial (educational) purposes only. To make use of the J-Link EDU and the related software you must accept the following terms of use.	
TERMS OF USE	
The J-Link EDU is for non-profit, educational purposes only. It is not required that the user be a student. The important point is that you do not use it for commercial purposes or on commercial premises. Even if you are a full-time professional programmer, you are welcome to use J-Link EDU for personal interest at home.	
Any other use of the J-Link EDU is prohibited and illegal.	
Non-profit educational purposes means that you may NOT use the J-Link EDU - directly or indirectly with a profit organization or business - to develop, debug, program or manufacturer a commercial product (or parts thereof) - to use it to either earn money or reasonably anticipate the receipt of monetary gain	
For clarification purposes: A student using the J-Link EDU directly or indirectly in a business or profit organization (e.g. company) is considered a violation of the scope of this agreement.	
If there is any doubt if a certain use may be considered within the foregoing scope or whether your use of the J-Link EDU would apply to an educational situation, it is strongly recommended to consult SEGGER prior to purchase and use.
